TOWN WARRANT

WORCESTER, SS.

To either of the Constables of the Town of Millbury, in the County of Worcester, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in elections and town affairs to meet at the Town Hall, in said Millbury, on Monday, the 6th day of February, next, at seven o'clock in the forenoon, to elect the following officers, to wit:

Article 1. To choose a Town Clerk, Treasurer, Collector of Taxes, Auditor, Moderator, Six Constables, Tree Warden, Highway Surveyor, and three members of the Board of Selectmen, all for the term of one year: One member of the School Committee, one Assessor, one member of the Board of Health, one Commissioner of Cemeteries and two members of the Board of Public Welfare and one Trustee of Town Library, all for the term of three years and four members to the Millbury Housing Authority, all to be voted for on one ballot.

Article 2. To choose all other necessary Town Officers for the year ensuing.

And to meet on March 11, 1950 at 2:00 P.M. in the Town Hall, in said Millbury, to act on the following articles, to wit:

Article 3. To hear the reports of several Town Officers and Committees and act thereon.

Article 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of streets, the maintenance of the Town Library, the observance of Memorial Day, Care and improvement of cemeteries, care of clocks, care of fire alarm, the use of the Tree Warden, the use of the Department of Veterans' Services, salaries of Fire Department, and Police Retirement, Pensions, or take any action thereon.

Article 5. To choose any committee or committees that may be thought necessary.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$1000.00 for the purpose of making repairs to permanent sidewalks under the supervision of the Highway Surveyor, or take any action thereon.

Article 7. To see if the Town will vote to raise and appropriate or transfer from available unappropriated funds in the Treasury the sum of \$2000.00 for Chapter 90 Maintenance, or take any action thereon.

Article 8. To see if the Town will vote to raise and appropriate or transfer from available unappropriated funds in the Treasury the sum of \$5000.00 to be expended in conjunction with any money which may be allotted by the state or county, or both, under the provisions of Chapter 90 of our General Laws, to continue the reconstruction of Riverlin Street, or take any action thereon.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be paid to the West Millbury Cemetery Association for the care of neglected soldiers' graves, or take any action thereon.

Article 10. To see what action the Town will take regarding the hiring of two or more policemen to patrol our streets and to raise and appropriate money for same, or take any action thereon.

Article 11. To see if the Town will authorize the Assessors to print the Valuation and Tax List and raise and appropriate money therefor, or take any action thereon.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$750.00 to be paid the Millbury Society for District Nursing, or take any action thereon.

Article 13. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 14. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

Article 15. To see if the Town will vote to raise and appropriate a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General

Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

Article 16. To see if the Town will vote to raise and appropriate \$50.00 to be paid to the Trustees for County Aid to Agriculture, in accordance with the provisions of and for the purpose of Chapter 128, General Laws.

Article 17. To see if the Town will vote to authorize the Treasurer, with the approval, of the Selectmen, to borrow money for the general municipal purposes under authority of, and in accordance with the provisions of Chapter 49, of the acts of 1933, and amendments thereto, or take any action thereon.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

Article 19. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$2000.00 to complete paving sidewalk on south side of Grafton-Worcester Road, work to be done under the supervision of the Highway Surveyor, or take any action thereon.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$4000.00 to complete paving the Grafton Street sidewalk under the supervision of the Highway Surveyor, or take any action thereon.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$1200.00 to improve that portion of Federal Hill Road in the Town of Millbury which connects two improved permanent roads—said work to be done under the supervision of the Highway Surveyor, or take any action thereon.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$8000.00 for the purpose of removing car tracks, grade center strip, and pave entire street with bituminous concrete Type I, on Main Street from Elm Street to Canal Street, under the supervision of the Highway Surveyor, or take any action thereon.

Article 24. To see if the Town will vote to raise and appropriate a sum of \$3000.00 to resurface Wheelock Avenue from Marion Avenue, west, as far as this sum will allow, work to be done under

the supervision of the Highway Surveyor, or take any action thereon.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$4500.00 to complete paving the Millbury Avenue sidewalk on the westerly side of Millbury Avenue from Lake Street to Howe Avenue, work to be done under the supervision of the Highway Surveyor, or take any action thereon.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$3000.00 to drain and resurface Martin Street, from Main Street as far as this sum will allow, toward Park Hill Avenue, work to be done under the supervision of the Highway Surveyor, or take any action thereon.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$3000.00 to continue the construction of the sidewalk on West Main Street, beginning at the Richardson residence and continuing as far as the appropriation will permit, work to be done under the supervision of the Highway Surveyor, or take any action thereon.

Article 28. To see if the Town will vote to contract with the Massachusetts Water Works Company and raise and appropriate a sum of money to install one (1) fire hydrant on Burbank Hill near the residence of Daniel Gilbert, or take any action thereon.

Article 29. To see if the Town will vote to contract with the Massachusetts Water Works Company and raise and appropriate a sum of money to install one (1) fire hydrant on Millbury Avenue in front of the property of Joseph Reeves, or take any action thereon.

Article 30. To see if the Town will vote to amend article three of our town by-laws as adopted, by the addition of two sections, to be known as Section 7 and 8 respectively to read as follows:

Section 7. No action shall be taken on any article contained in a warrant for a town meeting, or shall any motion be entertained by the moderator, excepting that of adjournment, unless the attendance of a quorum has been certified by the Town Clerk.

Section 8. A quorum shall be 400 registered voters.

Article 31. To see if the Town will vote to raise and appropriate a sum of money to install one (1) street light on Maple Lane on Pole #40, or take any action thereon.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$330.00 to install twenty (20) street lights from the

north to the south end of Carleton Road, West Millbury at customary distances, or take any action thereon.

Article 33. To see if the Town will vote to raise and appropriate a sum of money to install two (2) street lights on Riverlin Street on Poles #53 and #58, or take any action thereon.

Article 34. To see if the Town will vote to raise and appropriate a sum of money to install one (1) street light on Brightside Street on Pole #3, or take any action thereon.

Article 35. To see if the Town will vote to raise and appropriate a sum of money to install an electric light on Alpine Street approximately 475 feet beyond the last light on said street, or take any action thereon.

Article 36. To see if the Town will vote to raise and appropriate a sum of money to install an electric light on Heather Avenue, or take any action thereon.

Article 37. To see if the Town will vote to raise and appropriate a sum of money to install one (1) fire alarm box on Park Hill Avenue in the vicinity of Clear View Farm, or take any action thereon.

Article 38. To see if the Town will vote to contract with the Massachusetts Water Works Company and raise and appropriate a sum of money to place a hydrant at the junction of Rindge Street and Wheelock Avenue, or take any action thereon.

Article 39. To see if the Town will vote to raise and appropriate a sum of money to install one (1) fire alarm box on McCracken Road in the vicinity of Salmonsens's Hillside Greenhouses, or take any action thereon.

Article 40. To see if the Town will vote to raise and appropriate a sum of money to purchase a safe to be used in the Town Clerk's Office for the safe-keeping of Town Records to meet the requirements of the Supervisor of Public Records, or take any action thereon.

Article 41. To see if the Town will vote to raise and appropriate a sum of money to relocate the curbing on the westerly side of Wheelock Avenue for a distance of 400 feet from the Grafton-Worcester Road; complete the laying of new curbstone on the easterly side of Wheelock Avenue from the Grafton-Worcester Road to the home of Ulric Gravel; resurface Wheelock Avenue where necessary due to the relocation of curbing and construct new black-top sidewalks on both sides of said Avenue for the distance of 400 feet from the Grafton-Worcester Road, or take any action thereon.

Article 42. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the south side of West Street from Cherry Street to Waters Street, or take any action thereon.

Article 43. To see if the Town will vote to raise and appropriate the sum of \$1000.00 to install a drain on the southerly side of West Street from Cherry Street to Waters Street, or take any action thereon.

Article 44. To see if the Town will vote to raise and appropriate a sufficient sum of money to resurface Auburn Road from a point opposite Mr. J. Mickelson's home on the Auburn line, a distance of roughly 1,000 yards, or take any action thereon.

Article 45. To see if the Town will vote to authorize the Board of Selectmen to make an application for and enter into an agreement with the Federal Community Facilities Service for the use of Federal funds made available under Public Law 352 enacted by the 81st Congress, for the purpose of procuring plans for sewerage works, or take any action thereon.

Article 46. To see if the Town will vote to raise and appropriate the sum of \$300.00 to repaint the school safety zones under the supervision of the Police Department, or take any action thereon.

Article 47. To see if the Town will vote to raise and appropriate the sum of \$2000.00 to be expended for the purpose of remodeling the quarters formerly used by the Fire Department in the Town Hall Building for the use of various Town Departments, or take any action thereon.

Article 48. To see if the Town will vote to raise and appropriate the sum of \$1800.00 to install a drain 530 feet long on the northerly side of West Main Street between 68 and 88 West Main Street, or take any action thereon.

Article 49. To see if the Town will vote to raise and appropriate the sum of \$1200.00 to repair and resurface Lincoln Avenue Extension, or take any action thereon.

Article 50. To see if the Town will vote to authorize the Selectmen to appoint an Inspector of Wires under the provisions of Chapter 529 of the Acts of 1949 and raise and appropriate the sum of \$500.00 for the salary and expenses of such Inspector, or take any action thereon.

Article 51. To see if the Town will accept Cedar Avenue as a public street in accordance with the regulations of the Board of Survey and as requested by the homeowners and property tax-

payers residing on this street, or take any action thereon.

Article 52. To see if the Town will vote to raise and appropriate \$1000.00 to resurface and oil Cedar Avenue, or take any action thereon.

Article 53. To see if the Town will vote to raise and appropriate a sum of money to install three (3) street lights on Cedar Avenue, or take any action thereon.

Article 54. To see if the Town will vote to raise and appropriate a sum of money for the construction of a Highway Department Garage on the site owned by the Town at the junction of River and Elm Streets, or take any action thereon.

Article 55. To see if the Town will vote to instruct the Selectmen to petition the State Legislature to extend for the further period of five years the authority given to the Town under the provisions of Chapter 505 of the Acts of 1946 to borrow in excess of the statutory limit for the purpose of acquiring land, and building and furnishing a school building or take any action thereon.

Article 56. To see if the Town will raise and appropriate the sum of \$300.00 to provide a hard shoulder and gutter on River Street to alleviate a dangerous condition on curve or take any action thereon.

Article 57. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to drain, surface and extend Miles Street Extension, to a planned new development, or take any action thereon, work to be done under the supervision of the Highway Surveyor.

Article 58. To see if the Town will vote to raise and appropriate the sum of \$500.00 to renovate the G. A. R. room in the Town Hall building for permanent quarters for the Board of Public Welfare or take any action thereon.

Article 59. To see if the Town will vote to raise and appropriate the sum of \$200.00 for necessary expenses relative to the acquiring of land on Martin Street for the new High School site or take any action thereon.

Article 60. To see if the Town will vote to transfer the sum of \$1509.00 from the Highway Machinery Fund to the Highway Machinery Account or take any action thereon.

Article 61. To see if the Town will vote to sell to the Massachusetts Department of Public Works a parcel of land on the new Providence-Worcester Road now being used by the State Highway Department for the sum of \$1200.00 or take any action thereon.

Article 62. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to satisfy claims for the taking of land on Martin Street for the New High School site or take any action thereon.

Article 63. To see if the Town will vote to raise and appropriate the sum of \$4500.00, to be expended for the painting of windows, doors, fire escapes, and hall ways in the Town Hall building, the repointing of outside brick walls and for purchase of new doors for the basement in said building or take any action thereon.

Article 64. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred (\$1500.00) Dollars to be expended under the supervision of the Highway Surveyor to construct a surface drain on the south side of Dorothy Road from the corner of Wheelock Avenue and Dorothy Road, westerly, approximately three hundred and fifty (350') feet, more or less, or take any action thereon.

Article 65. To see if the Town will vote to instruct and authorize the Moderator to appoint a permanent Building Committee, not to exceed eleven (11) members, to have charge of the construction of the New High School Building, or take any action thereon.

The polls will be open at 7:00 A.M. and shall be closed at 7:00 P.M.

And you are directed to serve this warrant by posting up an attested copy thereof at each of the Post Offices and at the First Congregational Meeting House in Bramanville, and at the Fire Station located on Wheelock Avenue, East Millbury, and at Ruskin's Store at Dority Pond, and at Davenport's Store on Park Hill Avenue, in said Town, seven days at least before the time of holding said meeting.

HEREOF fail not and make return of this Warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given under our hands this 19th day of January in the year one thousand nine hundred and fifty.

LAWRENCE J. ARMY
JOHN W. HIGGINBOTTOM
LEO L. CREPEAU

Selectmen of Millbury.
Constable of Millbury.

Attest:
Millbury, Mass.

Report of Selectmen

To the Citizens of the Town of Millbury :

The Selectmen present the reports of the various Town Officers for the year ending December 31, 1949 for your consideration.

We take this opportunity to extend our sincere appreciation for the co-operation given during the year by the heads of the various departments.

In the interest of the Veterans, the Millbury Housing Authority was established to aid in securing homes to relieve the housing shortage. The State Housing Board has given assurance that the homes will be built in the near future.

The Board of Selectmen, after many months of effort, acquired the New York, New Haven and Hartford Passenger Station and land. The School Department will continue to use the building for Industrial School Purposes.

The appearance of the common has been improved by removal of the wire fence, and benches repaired and repainted. Public thanks are due Mr. Levi Chase, Highway Surveyor for his co-operation in this matter and also for his effort in having a wire fence put up as a safety measure alongside the Blackstone River on South Main Street.

In the interest for the safety of the school children, the Selectmen appointed a committee composed of Fred H. Vulter, Levi Chase, William C. Young and William Shea to take necessary steps to have safety lanes and school signs painted on the streets of the Town. These safety measures having already proved their effectiveness, we look forward to having the work continued for the ensuing year.

In an effort to aid the unemployed, authorization was given the Massachusetts Division of Employment Security, for the use of the so-called Red Cross Room for the weekly signing of applications for benefits.

During the year three trucks—two large and one pick-up—were purchased for the use of the Highway Department. A Highway Machinery Fund of \$2,000.00 was established by the Town. More than \$1,500.00 was paid by the State to the Town as rental for the use of these trucks under Chapter 90 work. Previously no funds were received from the State for truck hire before this fund was set up.

The Town Buildings Committee with George W. Rice, Chairman, Clarence A. Fenner, Clerk and Arthur Ducharme, Paul E. Harris, Frederick R. Heidtmann, other members, together with the Board of Selectmen, have worked diligently to have the work completed on the reconstruction repairs to the Town Hall Building. The work done under this contract will restore the Town Hall to use for public functions. The required work was done in the Legion Room, Main Auditorium, Police Headquarters and the Welfare Department quarters. It would be advisable to have work done on other sections of the Town Hall which were not condemned and were not provided for in the present contract for restoring the building.

The Selectmen take this opportunity to extend congratulations to Miss Janice Ballard and Miss Mary Cassidy for being accorded sectional and national honors for their work in the 4H Club, thereby giving another distinction to our Town.

We again wish to thank our fellow Town Officers and Department Heads for their fine co-operation.

Respectfully submitted,

LAWRENCE J. ARMY,
JOHN W. HIGGINBOTTOM,
LEO L. CREPEAU,

Board of Selectmen.

Report of Auditor

Millbury, Mass., January 26, 1950.

I hereby respectfully submit my Annual Report of the Cash Receipts and Expenditures, Financial Report and Appropriation Balances for the year ending December 31, 1949.

Yours respectfully,

JAMES J. CASSIDY,
Auditor.

Veterans' Service Department

Millbury, Mass., December 31, 1949.

To the Honorable Board of Selectmen:

As Director of the Department of Veterans' Services and Veterans' Agent in the Town of Millbury, I hereby submit my report of activities and services rendered for the year 1949.

1610 Visits to the Center by Veterans or their dependents seeking various information pertaining to their rights and benefits.

- 54 Original discharges recorded bringing the total of official recordings to 804. There are still many Veterans who have not had their discharges recorded and who should have this done.
- 125 Photostatic copies of discharge papers have been made without cost to our Veterans. In addition we have made photostatic copies of records for the Treasurer's Office necessary in his County Retirement System work of which Millbury is a member.
- 78 Cases against the Veterans Administration pertaining to Education, Training, and Subsistence Allowance.
- 85 Cases against the Veterans Administration for Service and Non-Service connected disability compensation, widow's pensions, Out Patient Dental and Medical care.
- 389 Applications for the National Service Life Insurance Dividends.
- 18 Veterans were taken to Cushing Veterans Administration Hospital and admitted as emergency cases.
- 26 Cases pertaining to Naturalization, Lost Discharges, Terminal Leave, Loans, Federal Income Tax, War Bonds, Massachusetts State Veterans' Bonus and Review of Discharge.

Veterans Benefits:

A total of 115 cases representing 323 people were aided during the year ending December 31, 1949.

- 97 Cases with Millbury settlements.
 - 1 Case with no settlement (State).
- 17 Cases with Out-of-Town settlements.

A total of \$23,250.89 was expended for Veterans' aid. 48.6% of this amount has been or will be reimbursed to the Town. The number of people that received aid during 1949 almost doubled that of the previous year. The heavy increase was due to lack of employment in this area and also the fact that many people have exhausted their claims for Unemployment Compensation.

Correspondence and field work on all cases has greatly increased during the past year.

For details of expenditures and reimbursements of this Department see the Auditors' report.

Respectfully submitted,

JOHN M. HAMILTON,

Director and Agent.

Report of Highway Surveyor

Millbury, Mass., January 6, 1950.

To the Honorable Board of Selectmen:

I hereby submit my annual report as Highway Surveyor for the year 1949.

In executing the obligations of my position, I have endeavored to maintain an efficient administration and have expended to the best of my ability the appropriations allotted the Highway Department.

The Highway Department greatly appreciates the two new Town trucks and pickup, but regrets the fact that the town has not yet provided a proper garage in which to put the trucks for minor repairs or for parking.

During the past year the Millbury Avenue sidewalk was extended to Croyden Street and enough money was saved to extend this walk from Dority Pond School to Lake Street. Gould Street sidewalk was completed, but through unforeseen obstacles, an additional seven hundred dollars had to be taken from the Highway Department appropriation to complete this walk. West Main Street sidewalk was paved and extended as far as the appropriation would permit. The Department feels that this walk should be extended to the Nook due to the heavy traffic and increased number of school children using this walk.

Early in the spring of 1949 two old stone culverts on Carlton Road had to be replaced with four foot pipe and \$1,000.00 had to be taken from the Highway Department appropriation to complete this work.

Alpine Street, Heather Avenue, and Croyden Street were graveled and paved this past year. An additional coat of asphalt will be applied to these streets this coming year. West Main Street was widened and the Bridge in West Millbury was also widened, eliminating a hazardous condition. The fill and gravel on West Main Street was left through the winter months in case of settlement, but will be paved in the spring. Davis Road was graded and paved from Dolan Road to Jacques residence. This road requires another coat of asphalt this coming year.

All streets and roads have had attention and repairs made where needed. The following streets received either one or two heavy coats of tar or asphalt the past year:

| | | | |
|----------------|----------------|---------------|-------|
| Park Hill Ave. | 2100' | Johnson St. | 500' |
| McCracken Rd. | 1200' | Carlton Rd. | 3200' |
| Heather Ave. | 500' | Greenwood St. | 3400' |
| Roger St. | entire length | N. Oxford Rd. | 3700' |
| Alpine St. | entire length | S. Oxford Rd. | 2100' |
| Fjellman Rd. | entire length | Davis Rd. | 4700' |
| Croyden St. | entire length | Dolan Rd. | 2100' |
| N. Oxford Rd. | 4' Strip 1600' | Glover Rd. | 700' |
| W. Main St. | 4' Strip 1600' | McGrath Rd. | 2100' |
| Maple St. | 2100' | Wheelock Ave. | 1000' |
| Grafton St. | 2100' | Riverlin St. | 4000' |

The Town of Millbury again contracted the job of Chapter 90, Construction, to continue the building of the new road on Riverlin Street. The section of this road which was started in 1948 has been completed, and 2000' has been cleared, filled, drainage installed and graveled, ready for paving next spring.

The sidewalk appropriation for the upkeep of permanent sidewalks was expended and an additional \$700.00 was taken from the Highway appropriation for this work. The department is asking for an increase in this appropriation due to the increased amount of sidewalks and the much needed repairs of some of the old walks.

As Highway Surveyor, I have tried to perform my duties to the satisfaction of you people of the Town of Millbury, and greatly appreciate the assistance and cooperation of all Officials and Citizens.

Respectfully submitted,

LEVI J. CHASE,
Highway Surveyor.

Highway Surveyor.

Report of Chief of Police

Millbury, Mass., December 31, 1949.

To the Selectmen of the Town of Millbury:

The Police Department went to all the schools with one of the Registry men and spoke to the children in regard to safety in going to and from schools; crossing the streets; playing in the streets and riding bicycles along the highway.

All the streets near the school buildings were marked "SCHOOL" and the cross-walks were painted so the children would know where to walk when crossing. Mr. M. Wissell and myself did all this painting with no cost to the town and a lot of credit should be given to Mr. Wissell for his time and effort.

Report of the Board of Public Welfare

Millbury, Mass., December 31, 1949.

To the Selectmen of the Town of Millbury:

The report of the Charlton Home Farm Association will be found on another page of this book.

For details of the expenditures and reimbursements of this department see Auditor's report.

During the year a total number of 374 cases representing 618 persons were aided throughout the Department.

TEMPORARY AID:

- 62 cases with Millbury Settlements.
- 20 cases with No Settlements (State).
- 23 cases with Out-of-Town Settlements.
- 35 cases with Millbury Settlements living elsewhere.

OLD AGE ASSISTANCE:

- 138 cases with Millbury Settlements.
- 29 cases with No Settlements (State).
- 27 cases with Out-of-Town Settlements.
- 19 cases with Millbury Settlements living elsewhere.

AID TO DEPENDENT CHILDREN:

- 21 cases representing 78 persons.

Our General Relief case load consisting of the usual types of cases which require aid was increased this year because of unemployment due to general decline in business and the closing of factories in town.

The Old Age Assistance case load increased during the year and all budgets were increased to conform with the legislative acts which included a 8.3 percent increase in grants and the new budget item of \$4.00 known as Leisure Time Activities. Medical and hospitalization expenses were very high also during the year.

Our Aid to Dependent Children case load increased and a few permanent cases on general relief becoming eligible for Aid to Dependent Children were transferred to this type of aid.

Respectfully submitted,
 ALBERT F. DESPARD, *Chairman*
 DONALD R. PERKINS, *Clerk*
 THIRBURSE J. MILLOTT

Report of Engineers of the Fire Department

To the Board of Selectmen:

The Engineers appointed by your board met and organized as follows:

William D. Horne—Chief.
Joseph E. Army—First Assistant and Clerk
Richard F. Gillert—Second Assistant

During the year Number 1 Company answered 36 bell alarms, 30 still alarms and 14 false alarms. Number 2 Company answered 36 bell alarms, 11 still alarms and 14 false alarms. Number 3 Company answered 2 bell alarms.

Our fire loss is as follows:

| | |
|-----------------------------|-------------|
| Value of buildings | \$25,000.00 |
| Loss on buildings | 7,500.00 |
| Insurance on buildings | 20,000.00 |
| Insurance paid on buildings | 6,500.00 |
| Value of contents | 8,000.00 |
| Loss on contents | 3,500.00 |
| Insurance on contents | 6,500.00 |
| Insurance paid on contents | 3,500.00 |

The equipment of the Fire Department consists of the following:

Number 1 Company—One American LaFrance triple combination 750 gallon pumper, 1,900 feet of 2½ inch hose, 650 feet of 1½ inch hose, 150 feet $\frac{3}{4}$ inch booster pump hose, one 2½ inch double gate, one 1½ inch double gate, 3 nozzles for 2½ inch hose, two 1½ inch nozzles, 100 feet of ½ inch hose, two oil lanterns, 3 electric lanterns, four rubber blankets, 14 rubber coats, 14 helmets, 2 acid chemicals, three pump cans, one E. & J. resuscitator, two pair of boots, one axe, one C. O. 2 extinguisher, one first aid kit and two sets of right and left couplings.

Number 2 Company—One American LaFrance triple combination 750 gallon pumper, 2,350 feet of 2½ inch hose, 700 feet of 1½ inch hose, 200 feet of $\frac{3}{4}$ inch booster pump hose, two 2½ inch double gates, one 1½ inch double gate, four 2½ inch nozzles, two 1½ inch nozzles, one fog nozzle, two rubber blankets, 15 rubber coats, 15 helmets, two 2½ gallon acid extinguishers, one C. O. 2 extinguisher, one deck gun, one first aid kit, one gas mask, three axes, 4 elec-

tric lights, one cable cutter, 10 pounds of soda, 2 gallons of acid, one pump can, one crow-bar, one door opener, two sets of 2½ inch right and left couplings, one plaster nozzle, one pipe pole, 4 hydrant wrenches, one cellar pipe, one coupling replacer and one gas shut-off wrench.

Number 3 Company—One Stewart combination truck, 950 feet 2½ inch hose, 200 feet 1½ inch hose, two 2½ gallon extinguishers, one foamite extinguisher, one 2½ inch gate, one 1½ inch gate, 3 electric lights, 8 pump cans, 5 rubber coats, 1 axe, one 2½ inch nozzle, one 1½ inch nozzle, 5 pounds of soda, and one gallon of acid.

Number 4 Company—One Seagrave 65 foot Aerial Ladder, one smoke mask, one inhalator, 2 foam type extinguishers, 1 Miller pump can, 1 Ansul dry chemical, three electric lanterns, 150 feet of ¾ inch hose for booster pump, 300 feet of 2½ inch hose, four rubber coats, one first aid kit and one electric lighting system.

Each Company consists of 12 regular men, and two substitutes. Ladder truck company consists of four men. The engineers have made inspections of hotels, taverns and rest homes and found them in good condition.

We have had the smallest fire loss this year in the history of the town and we want to congratulate the town's people in cooperating in preventing fires.

All members of the Millbury Fire Department mourn the loss of a life-long member of the Department, Engineer Joseph E. Army. He had been a member for fifty-three years, and an Engineer for thirty-three years. He has always been a very loyal member and will be missed by all.

Kenneth Army, his son, was appointed an Engineer by the Selectmen to fill the vacancy caused by the retirement of his father.

This year, we have installed a new fire alarm system in East Millbury section. Four fire alarm boxes have been installed which will be the means of sounding an alarm much faster and a faster response of the department.

Two new boxes have been installed on Millbury Avenue, one on Johnson Street, and one at Old Common. One more will be installed on Elmwood Street.

MAKE EVERY DAY FIRE PREVENTION DAY.

Respectfully submitted,

WILLIAM D. HORNE,
RICHARD F. GILLERT,
KENNETH L. ARMY,

Board of Fire Engineers.

REPORT OF THE FOREST FIRE WARDEN

This department consists of a Warden and eight Deputies.

This year I was called to 74 brush fires, 20 grass fires and 13 dump fires.

This has been the worst year for brush, grass and dump fires since I have acted as forest warden. Many could have been avoided if people would only be more careful. Many incinerators now being used are absolutely worthless and are located where the grass is tall and dry. Throwing cigarettes by the roadside accounts for a large number of fires.

No fire should be started without a permit, as you are subject to arrest by doing so.

For equipment, I have on hand—twelve $2\frac{1}{2}$ gallon chemicals, 22 water pump cans, 40 pounds of soda, and $\frac{1}{2}$ carboy of acid.

We have the number three piece of apparatus made into a forest fire truck with a large tank for carrying water and pump cans. It has come in handy at other fires as we can connect to the pumper for a supply of water.

Respectfully submitted,

WILLIAM D. HORNE,
Forest Fire Warden.

Report of Millbury Public Library

To the Selectmen of the Town of Millbury:

We herewith submit our annual report for the year of 1949, the Librarian's report is herein included.

To the Trustees: As Librarian of the Millbury Public Library I submit the following report.

The library has been opened 321 days during the year. The number of books bought during the year totaled 688.

The classification of the circulation is as follows:

Fiction 21,103
Juvenile 6,952
Non-Fiction 2,529
Magazines 1,337

The total circulation for the year is 31,921

A large number of non-fiction books were added for general reading.

The annual May party was given at the Library for the children who had completed the reading of 20 books prescribed by the State. Large certificates were presented to the children and books were given as prizes to the children holding two large certificates.

I wish to express my sincere appreciation for the following donations.

Non-Fiction books, Rev. Homer Boyer.

Non-Fiction books, Millbury Woman's Club.

Non-Fiction and Fiction books, Millbury Grange.

Fiction books, Mrs. Halbert Pierce, Mrs. Charles Hosmer, Mrs. Radley Sheldrick, Mrs. McLaughlin, Miss Ellen Norton, Vida Vartarin and William Cahill.

Back Town Reports and Valuation Lists given in memory of Mr. Charles Burbank, by his family.

Hat rack from the Industrial Arts Department of the Millbury High School.

Magazines, Mrs. Gordon Henshaw, Mr. A. J. Sweet and Dr. E. O. Angell.

Also many thanks to Miss Ellen Leary for the monthly decorations in our children's department.

(Signed) LAURA E. PALETTA,
Librarian.

The Trustees wish to express their thanks and appreciation for the above donations and for the cooperation of the teachers, and the fine work of the Librarian and her assistants.

DENNIS L. KELLIHER,
M. PEARL LACOUTURE,
CHAUNCEY C. FERGUSON,
Trustees.

Report of Tree Warden, Gypsy Moth and Elm Beetle Superintendent

December 27, 1949.

To the Honorable Board of Selectmen of the Town of Millbury:

I hereby submit my report as the Tree Warden, Gypsy and Brown Tail Moth and Elm Beetle Superintendent of the Town of Millbury.

We have trimmed and taken down a large number of trees, and set out many new ones.

I have found that Gypsy Moth nests have increased in many parts of the Town. Brown Tail Moths are very numerous this year. Elm Beetles have greatly increased this past year.

There is much trimming to be done, and many trees to be taken down.

Respectfully submitted,

EDWARD F. ROACH,
Tree Warden.

Report of Board of Health

December 27, 1949.

To the Honorable Board of Selectmen:

We hereby present the annual report of the Board of Health for the year of 1949.

The following cases of Contagious Diseases were reported:

| | |
|-------------------------------|----|
| Chicken Pox | 33 |
| Dog Bite | 26 |
| German Measles | 35 |
| Lobar Pneumonia | 2 |
| Measles | 78 |
| Mumps | 45 |
| Scarlet Fever | 24 |
| Tuberculosis Pulmonary | 1 |
| Tuberculosis Other Form | 1 |
| Whooping Cough | 5 |
| Undulant Fever | 1 |

On January 1, 1949 we had two (2) patients at the Worcester County Sanatorium, two (2) were admitted, one (1) discharged leaving as of December 31st, three (3) in the Sanatorium. We have taken many children and adults to the Sanatorium who were X-rayed for Tuberculosis. We had two (2) patients at Lakeville Sanatorium from May 1 to Nov. 20, 1949 and they have been discharged. We have licensed two (2) Boarding Homes for the Aged; one (1) for small children. All homes have been approved by the State Board of Health.

All Contagious Diseases must be reported whether you have a doctor or not.

We greatly appreciate the co-operation the parents have given us during the past year.

Respectfully submitted,

Millbury Board of Health,

A. A. BROWN, M.D.

M. M. HENNEBERY, D.M.D.

L. H. BALLARD, Agent.

Report of Dog Officer

Millbury, Mass., December 31, 1949.

To the Honorable Board of Selectmen:

The activities of this department are as follows:

| | |
|---|----|
| Stray dogs picked up, kept 6 days and destroyed | 28 |
| Injured stray dog picked up, kept one day, destroyed | 1 |
| Stray dog picked up after having bitten person, kept 14 days and destroyed | 1 |
| Complaints of dogs worrying or killing chickens . . . | 3 |
| Complaints of dogs annoying residents | 7 |
| Dog bite cases reported by Board of Health, dogs ordered restrained 14 days | 21 |
| Dogs ordered restrained or muzzled | 1 |

I have filed with the Town Treasurer 30 certificates for which the Town should be reimbursed \$197.25 from the County dog fund.

Respectfully submitted,

RUFUS W. COLBY,
Dog Officer.

School Bus Driver—September, 1926-June, 1949

Report of School Committee

To the Citizens of Millbury:

Your School Committee submits herewith the annual report for the school year ending December 31, 1949.

During the school year many repairs and improvements were accomplished. These are found listed in the report of the Superintendent of Schools.

A definite salary schedule was adopted with the unanimous agreement of the teaching staff. This schedule will regulate salary increases taking into account the professional accomplishments of the teachers.

The total cost to the Town for the operation of the schools was \$135,199.69. This figure was made possible by refunds to the Town from the State, particularly under Chapter 643 of the Acts of 1948.

The detailed financial statements for the year follow:

SPECIAL APPROPRIATION STATEMENTS

Assumption School Fund

| | |
|---------------|-----------|
| Appropriation | \$3500.00 |
| Rental | 3500.00 |
| | <hr/> |

Windle Field Fund

| | |
|---------------|-----------|
| Appropriation | \$1200.00 |
| Expenditures | 1173.57 |
| | <hr/> |
| Balance | \$26.43 |
| Receipts | 100.00 |
| | <hr/> |

(Removal of grandstand)

| | |
|----------------------|----------|
| Sum returned to Town | \$126.43 |
|----------------------|----------|

Financial Statement — January 1, 1949 — December 31, 1949

 DR. E. OLIN ANGELL,
 School Committee.

Report of Superintendent of Schools

To the School Committee:

I respectfully submit my thirteenth annual report and the sixtieth in the series of reports of the Millbury School Superintendents.

During the past year educators throughout the country have continued to sound warning notes about the difficulties that threaten our public schools in the years ahead. In September of this year Earl J. McGrath, United States Commissioner of Education, said that the year 1949-1950 would be the most critical year for the American educational system. A few months later Dr. Willard E. Givens, Executive Secretary of the National Educational Association, spoke of a serious crisis confronting school systems throughout the country. The cause of the crisis in the opinion of these educators is an expected increase in enrollment in elementary and secondary schools during the next ten years of approximately ten million children. This increase, approximately forty per cent over the present figures, will affect every community, large or small, in the country. The problems that will arise as a result of this enormously increased enrollment are listed by Dr. Givens as follows: (a) getting enough adequately trained teachers, (b) building enough schools to accommodate this great influx of children, (c) getting the money to pay for an adequate school program.

In Millbury these problems have already been solved, or are well on their way to solution. Adequately trained teachers make our classrooms attractive and profitable to the students. The Superintendent receives many letters from educational institutions congratulating the school authorities on the type of student we graduate, and on the excellent training they have received in our schools. The School Committee and the Building Committee have been working for several years on the project of a new high school. Plans are completed, and once the necessary funds are appropriated the building can be started. This new high school will give us a school plant which will take care of the needs of Millbury for years to come. The citizens of Millbury have always been generous in caring for the educational needs of their children, and we look forward to their continued cooperation in making our new high school a reality.

The Superintendent has been assured by Mr. Leo Doherty, Assistant Administrator of the State Committee for new school construction that the town will be reimbursed to the extent of fifty per cent for all new school construction. This assurance, which expires in 1951, should expedite the construction of our new high school.

Millbury benefited substantially this year under the state-aid-to-schools law (Chapter 643 of the Acts of 1948). The actual increase over 1948, as indicated in the following table, amounted to \$39,477.34.

STATE AID FOR PUBLIC SCHOOLS, 1949

| | Chapter 70 | Chapter 643 | School Transportation | Total |
|----------|-------------|-------------|--------------------------|-------------|
| 1949 | — | \$49,843.61 | \$1,370.22 | \$51,213.83 |
| 1948 | \$11,250.00 | — | 486.49 | 11,736.49 |
| Increase | | | | \$39,477.34 |

It is always a pleasure to report that our pupils attained a better than average grade for the various educational tests given during the year. These tests included the Boston University tests in the high school and the eighth grade, the Stanford Achievement Tests in the second to the eighth grades, as well as reading tests for all the

first grade pupils. The results of these tests are kept on file in the office, and are most helpful in connection with college and employment recommendations.

Maintenance of the school buildings required the following repairs and improvements: The exterior of the High School was painted, and new doors installed in the gymnasium. The roof of the High School hall was renovated. The grounds were improved by the grading of the lawn, and renewing the walks with blacktop surfacing. The exterior of the Junior High School was painted, as likewise the exterior and interior of the Dorothy Manor School. Much needed improvements at the Providence Street School included a blacktop walk from the street to the school entrance.

Horace Mann Pupils

During the year the following pupils were added to the Horace Mann list in the Millbury High School:

Jessie Credit
Pearl Ethier
Nancy Milliken
Carol Murphy
Marjorie Shaw
Ann Schunmann

Changes in Teaching Staff

APPOINTMENTS

| <i>Name</i> | <i>School</i> | <i>Date</i> |
|----------------|---------------|---------------|
| Mary T. Harris | High | Sept. 7, 1949 |

RESIGNATIONS

| <i>Name</i> | <i>School</i> | <i>Date</i> |
|--------------|---------------|---------------|
| Ruth O'Flynn | Burbank | June 21, 1949 |

We feel that we have enjoyed another successful school year. We attribute this success to the cheerful understanding cooperation of the parents, to the zeal of our efficient teaching staff, and to the constant interest and helpfulness of the School Committee.

Respectfully submitted,

WILLIAM D. SHEA,

Superintendent of Schools.

REPORT OF MR. STEPHEN BEATON, HIGH SCHOOL PRINCIPAL

The attendance in the high school this year had a slight and insignificant gain from the 325 of last year to the present opening day figure of 334. I state that this gain is insignificant for if one were to look at the opening day figures of the last five years it would be seen that all these figures are in close proximity. Also, if one were to look at the opening day figures for the sixth, seventh and eighth grades and compare them with those of the past five years, one would be quite impressed with the similarity of the figures, which all leaves but one conclusion, that little gain, if any, can be expected in the high school attendance for the next few years.

From the above it would seem that I were trying to intimate that a new high school is not a pressing need. That is not my intention, I assure you, for if the need were paramount four years ago, then today, since our numbers certainly are no smaller and time has not lessened the need, we are, therefore, that much worse off than we were. Only this past spring Mr. McCarthy, the inspector of public buildings for this district, limited the use of our assembly hall to two hundred persons, which has caused a great curtailment in our assembly programs. Paid assembly programs can no longer be given to the entire school, and when policy dictates that the entire school be brought together it has to be done in a two platoon system which is confusing and disrupting to the daily schedule. Again, I say, "Tomorrow's leaders are in our high schools today—not five to ten years from today."

There was only one change in the high school faculty this year. This vacancy was filled by Miss Mary Harris, whom we welcome to our staff. Miss Harris, a former graduate of Millbury High School, graduated in June from Smith College. She was hired to fill the position in the English department left vacant by the death of Mr. Jannery. This position was very capably filled from the latter part of September until the end of the school year by Mrs. Barbara Owen, a substitute teacher.

The prizes awarded annually to the members of the senior class were presented to the following students: Miss Mary Power, the Good Citizenship Certificate, given by the Daughters of the American Revolution; Miss Ruth Martis, the Massachusetts' Society of the Sons of the American Revolution Award for the highest average in American History; Paul Sorvo, the Millbury Woman's Club Scholarship award of one hundred dollars; Miss Mary Power, the Becker Junior College Scholarship Key for proficiency in commercial subjects.

Millbury High School has again been approved in class "A" by the Supervisor of Secondary Education, Mr. A. Russell Mack.

It is indeed very pleasing and gratifying to be able to report that a large proportion of our pupils who are at present in college are on the Dean's List.

Our clubs and organizations have all completed a successful year under the fine guidance and leadership of the following teachers: The French Club, Miss Helen Brown; The Science Club, Mr. Thomas McGinn; The Biology Club, Mr. Richard Kenary; The Junior Red Cross, Mrs. Frances Cofske and Mr. Shaw; The Reflector, Mr. Joseph Kenneally; The Dramatic Club, Miss Margaret Marlborough; and The Talent Group, Miss Katherine Bowe.

Our athletic teams performed very creditably during the past

school year under the inspirational and character building type of coaching demonstrated by Mr. Martin Roach, Miss Eleanor McNamara, Mr. James O'Leary and Mr. Michael Trychon.

Again, a fine record of attendance of better than 95 per cent attests to the fine spirit of cooperation shown by the parents of Millbury, for which we are duly grateful.

REPORT OF MRS. ELEANOR HAMILTON, SUPERVISOR OF PHYSICAL EDUCATION

During the past school year the physical education program has varied very little in comparison to the one in the previous year.

Still taking the most effective part in this program are the pupils of the elementary schools. During the winter months of 1948 and 1949 square dancing was introduced to these younger children. A keen interest for this was shown among those in the fifth and sixth grades. Due to lack of facilities, pupils in some of these schools must resort to "schoolroom gymnastics". However, ability to play in groups is still developed—as are certain fundamental skills. Their program of body building and rhythmic activity is also carried on.

Girls of junior high and high school age followed a similar program to that of 1947 and 1948. Again last year the most popular sports were field hockey and basketball. Only in hockey did the girls see action in interscholastic games. However, in the early spring, softball practice was held daily. A wide interest for this sport was shown by both junior high and high school girls. A few practice games were arranged with girls from schools in surrounding towns. Of the five games played, the Millbury girls won three, tied one, and lost one.

We are now looking forward to the day when interscholastic competition will be held in all three of our major sports—field hockey, basketball, and softball.

REPORT OF MISS ROSE B. NERI, SUPERVISOR OF HOME ECONOMICS

The average person ought to become somewhat proficient in various skills in order to develop an integrated personality. Sewing is important in this respect; it enables the girls to discriminate the right from the wrong in their wardrobe planning.

In the seventh grade the pupils are taught the fundamental hand stitches; they practice the stitches extensively for speed in hand-work and for a natural handling of the sewing tools. Later, these stitches are put to use in making a sewing bag, pin cushion, needle-case, and a simple household article. The last few weeks are devoted to a study of the sewing machine. They are taught the different parts of the machine, and they begin learning how to operate it.

In the eighth grade the study of the sewing machine is brought to completion and more practice in running it is obtained. The girls learn to make numerous seams that are stitched by machine. Most of the seams are used to make a lingerie set and a cotton dress. These articles are cut from the commercial pattern. The pupils are taught to read the pattern and to follow directions given with it. With the ability to follow directions and with a thorough knowledge of the pattern they are able to make many of the plain garments on their

own. Through the making of these articles they are gaining much practice and thus are developing a good technique in plain sewing.

The high school group is now ready for the more complicated sewing; however, it is not presented to them until they are prepared for it. The girls are started out in a slow pace, and each girl is brought up to her individual skill. They are expected to make various garments using varied fabrics. These students are usually those who have taken a liking to sewing and enjoy it; they find that their problem of money expenditure in their wardrobe has been greatly reduced.

REPORT OF MR. WILMAR H. ELA, SUPERVISOR OF INDUSTRIAL ARTS

The Industrial Arts Department courses are Woodwork, Mechanical Drawing, and Home Mechanics.

Junior high school boys are taught Woodwork and Home Mechanics.

The woodworking class students learn the basic steps of procedure by the use of hand tools in shaping of lumber into useful projects. The cross-cut saw, jigsaw, square, ruler, file, are a partial list of hand tools which are used to construct foot stools, letter holders, cutting boards, lamps, door stops, or other useful articles.

The pupils in our home mechanics classes learn to repair windows, faucets, electric cords, furniture, and other items that may deal with the upkeep of the home.

High school students in the mechanical drawing classes make freehand sketches, isometric drawings, three view drawings, sections, and blue prints. This instruction enables them to understand and to convey definite ideas to others.

Woodwork in the high school classes is taught by the project method. Individual instruction is given to students who may make projects chosen from selected drawing.

The Industrial Arts Shop contains woodworking machinery which includes a drill press, circular saw, scroll saw, band saw, and lathe. Proper methods of using the power tools and shop safety are taught and strictly enforced.

The growing interest shown by pupils and their parents toward this department should indicate the need for expansion in the near future.

REPORT OF MISS KATHERINE M. BOWE, SUPERVISOR OF MUSIC

Music is becoming more and more a vitally important factor, not only in work and play, but as a means of restoring health and happiness to the mentally and physically handicapped.

In the schools it is a contribution to the pupils of their music education which they will enjoy for the rest of their lives. From the knowledge of the basic elements to the singing of two and three part music and an understanding of harmonics and artistic interpretations is the goal of the music program.

Tonal and rhythmic patterns are developed in the first and second grades through the singing of rote and motion songs. New books have been purchased and placed in some of the elementary schools.

The junior high school children, due to an added music period, have shown noteworthy progress. The singing of three-part songs with emphasis placed on diction, clarity and placement of tones, paves the way to a more intellectual and enjoyable participation in the art.

In the high school the orchestra and talent group have shown a remarkable improvement and an interest in the active participation of music has been greatly stimulated. Last year these two units presented excellent programs at Holden and Spencer and are looking forward this season to greater achievements.

The Glee Club, a group selected through try-outs of Freshmen, Sophomores and Juniors, rehearses one period a week and work on four-part arrangements of more difficult numbers. This group has also given several creditable programs and make their final appearance for the year at the graduation exercises.

REPORT OF MISS FLORENCE M. SCARPACI, SUPERVISOR OF ART

Art as a school subject too often is thought important only to those pupils who are endowed with artistic talent. There exists in the public mind a traditional attitude toward art which places it under a peculiar disadvantage in the school curriculum. It is the somewhat intangible quality of the benefits from art education that makes it difficult for the average citizen to realize its importance.

Our first concern as teachers of art is to set up clearly marked goals. Before we can teach an art lesson, we must know just what results we wish to achieve.

What does art mean to Jacky Smith in the first grade, or to Mary Jones in the sixth grade, or to their big brothers and sisters in the high school? Is it merely a pleasant recreation, a relief from academic subjects? Or is the real purpose of the art lesson to train boys and girls as future artists? School art work may accomplish either of these aims, but they can hardly be considered as the principal objectives of art education. Surely we wish children to enjoy their drawing and painting and cutting and pasting, but at the same time we wish them to achieve much more than pleasant entertainment for themselves. For the few boys and girls who are talented in art we do wish to develop their technical skill, but it is not for these few that we believe art has a place in the school curriculum. Most sad and unwise it would be to train every child as an artist!

What can the art lesson do for the average boy and girl, who more often than not has no particular talent? Educators believe that every child should be helped to live happily and to deal effectively with his environment both in the present and in the future. The right kind of art education can help to accomplish these objectives.

Through his study of art the child comes into contact with a great wealth of knowledge, understanding, and experiences. It helps him better understand the cultural heritage of his race to recognize and appreciate beauty in the world about him, and to eliminate ugliness from his surroundings. Such attainments as these help any individual to live more fully and richly, and to enjoy genuine and lasting satisfactions.

The following objectives do not include a comprehensive or exhaustive study, but rather a brief explanation of the aims most emphasized by the leaders in art education today.

Objective Number One: Creative Self-Expression. In recent years educators have placed tremendous emphasis on the child as the first consideration in planning the school curriculum. Creative self-expression through art means that the child has an opportunity to satisfy his needs, to follow his natural interests, and to make use of his innate capacity for creating with art media. Through his efforts at creating his own pictures, sandtable scenes, book-covers, clay tiles, and similar articles, he will experience what may be termed the creative act.

Objective Number Two: Personal Enrichment. It has been said that the measure of life for the individual is the breadth of his experiences and the degree to which he feels these experiences. Art is rich in the field of beauty experiences. Let us use it to help every individual secure for himself the personal enrichment that can make his life more worth-while to him.

Objective Number Three: Social Worth. Art education justifies itself when evaluated by the criterion of social worth; first because it helps the individual to select articles which will bring him more lasting satisfaction; second because it helps us to arrange our homes so as to secure more beauty and visual comfort; third, because it helps the business man to conduct his affairs more advantageously.

Objective Number Four: A Recreational Resource. Art as a recreational activity may take either of these two forms, (1) as productive recreation, and (2) as impersonal pleasure. Art as a productive recreation means that we engage in some form of painting, drawing, modeling, designing or craft work which results in a concrete product.

The keen interest which many adults have in drawing and designing as a recreational activity is evidenced in the evening sketch classes organized under the direction of the Worcester Art Museum. These classes are open to those men and women who like to sketch and design but had lacked the opportunity to satisfy their desires.

The Museum offers special classes for children with talent and interest in art. In all these classes teachers have found no lack of children who are ready to spend their free time drawing and painting.

Art which provides impersonal pleasure is another source of recreational pleasure for many people. Leisure hours are spent in visits to art galleries, in reading art history or art criticisms and interpretations. Best of all this is the type of leisure time activity which offers endless opportunity for growth in knowledge, understanding, and appreciation.

Objective Number Five: Vocational Training. Before closing the discussion of objectives, we must point out the value of art training to those who do have special talent. Unless art is included in the school curriculum a child may pass through all his school years without discovering that there is a special field of work where he is likely to be a success.

REPORT OF ARTHUR A. BROWN,, M.D., SCHOOL PHYSICIAN

Since the opening of schools in September, all school buildings have been visited and inspected, and were found in a satisfactory condition.

The annual examination of pupils in the grades, junior high and high schools has been completed. A special examination was given to high school boys and girls engaged in competitive athletics.

In June, clinics for the examination of pre-school children were held in four different schools, and there was a good attendance at these clinics.

REPORT OF MISS MAY A. STAFFORD, R.N., SCHOOL NURSE

The annual physical examinations in all schools have been completed and twelve hundred and fifty-one children were examined. Although there was a marked improvement this year, especially among the high school students, there were still a large number of defects found. Notices of these defects have been sent to parents who will consult with their family physician or dentist. All defects have been recorded on the health cards with the code used by the state. Some defects need immediate attention and others are marked so that the defect, however small, will be corrected during the year. The following defects were found as a result of these examinations:

| | |
|-------------------------------|-----|
| Teeth | 297 |
| Throat and Nose | 116 |
| Nose | 12 |
| Skin | 4 |
| Major heart condition | 4 |
| Minor heart condition | 15 |
| Feet (arch) grades 1-8 | 130 |
| Feet (arch) high school | 68 |

Efforts are made to see that all children in need of medical or dental attention get professional advice.

CLINICS

Pre-School

Ninety children were examined at the four pre-school clinics that were held at the larger schools. Parents were present at these examinations to discuss with the school physician any defects found.

Dental

The dental clinic sponsored by the Board of Health and in charge of Dr. M. M. Hennebery is held once a week. Forty-one clinics were held from January 13 to November 17, 1949 and the following work was completed:

| | |
|----------------------------------|-----|
| Permanent fillings | 388 |
| Temporary fillings | 10 |
| Prophylaxis | 65 |
| Treatments | 11 |
| Extractions (Permanent teeth) .. | 10 |
| Extractions (Temporary teeth) .. | 53 |
| Examinations | 110 |

Again we urge parents to have their children's teeth cared for as too many second teeth have to be extracted because of neglect. The teachers have worked hard so that every child would have a dental card showing that his teeth had been cared for. Many grades attained an average of 50%, some slightly more, but only one grade had 100%—Miss Rosilda Lindsay's first grade at the Union School.

Vision

The eye testing is nearly completed, and although the lighted chart used now is an improvement over the old method, the New Massachusetts Vision testing equipment is much better. Many cases of eye defects, impossible to find with the present chart, are found with the newer method of testing. I hope that we will soon have this latest chart. Through the proceeds of the eye-glass fund, it was possible for five children to have their eyes examined by a specialist and to be fitted to glasses.

Tonsils

Financial assistance of the Kiwanis Club made it possible for five children to have tonsil operations.

Speech

We have twenty-five children with some degree of speech defect. This defect is serious and at present we have no clinic at which they can obtain aid. The clinic at City Hospital, which formerly took care of all cases, will now only care for children whose defect is a result of some handicap as a cleft palate or similar cause.

Hearing

The hearing will be tested later in the year with the Audiometer. However, any pupil who has a hearing defect that is noticed by the teachers is advised to consult an ear specialist.

Retarded or Problem Children's Clinic

The clinic for retarded or problem children was held at the high school by Dr. L. O. Farrar and his staff. Parents were notified of the result of this test.

The census of physically handicapped children has been taken and sent to the Department of Education and Public Health.

Through the sale of Christmas Seals and Pins, four boys were sent to Sterling Health Camp for eight weeks. All gained in weight and returned in excellent condition.

Many deserving cases were helped by the Salvation Army Fund. During the year we furnished milk for three children, purchased rubbers and shoes, a boy's mackinaw, Christmas toys, and clothing for children at camp. We also paid for extraction of teeth by gas and had other dental work done.

The usual routine work is always being carried on throughout the year. Periodical inspection for cleanliness and sanitary conditions has been made in all the schools, and there has been a definite improvement in regard to pediculosis and personal cleanliness. Three hundred and twenty calls have been made to the homes, fifty-six children, who became ill at school, were taken home, two hundred and sixty children were administered first aid and many individual conferences have been held. We have had no serious epidemic this year, but scattered cases of whooping cough, measles, chicken pox and one case of polio were reported. The general health of the children is excellent.

Health meetings have been attended to learn of any newer methods that can be used to maintain the health of our children. Three days were spent at the Worcester Teaching Center for instruction in the latest methods of testing vision and hearing.

Graduation Class of 1949

| | | |
|--|------------------------------|----------------------------|
| Processional | | Graduating Class |
| Invocation | | Rev. Earl W. Eldridge |
